

## Ingersoll Rand Forklift Parts

Ingersoll Rand Forklift Part - Ingersoll Rand offers products, solutions and services to increase the productivity and ensure efficiency in commercial, residential and industrial environments. They pride themselves in providing products so as to improve the comfort, security, health and safety of people all around the globe throughout their four worldwide segments.

The Climate Solutions sector delivers a world-class product line of energy efficient HVACR solutions for clients. Thermo King is the leader in transport temperature control, while Hussmann is a maker of refrigeration and food merchandising solutions. Trane is a trusted provider of energy efficient air conditioning and heating ventilation systems, building and contracting advanced controls, services and parts support for both residential homes and commercial buildings.

Ingersoll Rand's Industrial Technologies sector provides solutions and products that enhance their customers' productivity, operations and energy efficiency. The product series is diverse ranging from tools and pumps, material and fluid handling systems to complete compressed air systems. They have also developed Club Car, the worldwide leader in utility and golf vehicles for companies and people.

Brand names such as Trane and Schlage provide residential solutions that provide safety, efficiency and comfort to home owners around North America. Their innovative products consist of electronic and mechanical locks, indoor air quality solutions, heating and air conditioning systems, advanced controls, remote home management and portable security systems.

Ingersoll Rand' Security technologies provide products which ensure productive, secure and safe surroundings. This division's market leading products include floor and door closers, exit devices, portable security devices, biometric and electronic cabinet hardware, access control systems, steel frames and locks and doors, decorative hardware and locksets. Popular brand names like for instance Schlage also offer time, attendance and personal scheduling systems.
