

Trek Part

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have more than sixty years combined experience with successfully designing, developing, marketing, manufacturing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are dedicated to offering top quality and new design concepts in order to meet the diverse requirements of their clients.

In their product development; TREK Cleaning Machines continually offers fresh design ideas. They like offering items that energize both their partners and their dealers and provide production gains to their clients.

The team at TREK enjoys handling new challenges and tasks. They are proud to launch their new Torsion scrubber line and all of its breakthrough technology. This line was motivated by the comprehension of operators' requirements and skills combined with their knowledge of cleaning applications, along with owners' strong desire to dramatically lessen expense through productivity gains.

The employees at TREK and their dealer-partners are strongly committed to having both parts and technical support accessible when it is needed. Their high service devotion is amongst the core values in their customer service. Keeping their clients' cleaning equipment ready and working everyday is top priority. The company's top of the line technology delivers reliable equipment that ultimately lessens your cost of cleaning. The product, the price and the service all work together so as to make them the leader in the business.
